

Dear students and parents,

NWCP's remote learning plan starts THIS MONDAY MORNING. Students will access all learning online. We are implementing our plan before the actual statewide school mandated closure begins on Monday afternoon. DO NOT COME TO THE SCHOOL MONDAY MORNING.

Live Taught classes will be hosted by ZOOM. Go to your google class Remote homeroom to get information. They will be held at the same time they were held during the school day.

APEX classes remain available. Log in by googling: North Woods Career Prep, and scrolling to Student portal. All tests are excused so you can work through the entire class. Check the 'Remote Plan Homeroom' in google classroom for more information.

A teacher will call every student DAILY to check in, help solve problems, and make sure you are successful with your continued learning.

Administrators and teachers are here to help you! Please see the email list below to access whomever you wish. You can always call the school phone as well: 614-891-9041

We are very concerned that all of our students are successful at meeting their educational goals and graduation ON TIME even with this extraordinary public health disruption. We are also very concerned that everyone stay safe and healthy and want to do our part as citizens to behave collectively in a helpful way by reducing the risk of the spread of COVID 29 virus. We are cooperating with all government agencies as we execute a responsible safety "social isolation" plan for our communities. We think we can get a lot of great learning done these next three weeks and we will be bringing our best work to this challenge!

Thank you for trusting us with your students. We are excited to serve you in some creative ways these next three weeks!

STAFF

- sharon.watkins@northwoodscareerprep.com - administrator
- mary.belkofer@northwoodscareerprep.com - academic coach, testing coordinator
- Vinita.singh@northwoodscareerprep.com - math instruction, STEM, robotics
- John.murphy@northwoodscareerprep.com - English language arts instruction, fun guru
